

**The Danby-Mt. Tabor Now board of directors is looking for a handful of people to take on the “care and feeding” of the veteran’s memorial – we’re calling this group the “Friends of the Memorial.”**

Areas where we could use help include:

- Planning for and hosting three annual events:
  - o Memorial Day, Veterans Day and a concert at the memorial (like we did with the American Legion Band from Brattleboro last year)
  - o Activities would include developing agendas, finding speakers/performers, preparing refreshments, and setting up chairs, podium, and audio equipment
- Helping maintain the memorial site, including:
  - o Cutting and weed whacking the lawn
  - o Tending to the gardens and trees
  - o Shoveling snow in the winter.

If you're interested in being a part of this project, please contact [ratobin@gmail.com](mailto:ratobin@gmail.com). We plan on having a kick off dinner in the Spring and an annual celebration to thank participants. Thanks for considering this!
