

## 2023 Expanded outreach project to Danby

We are working with Rutland County Solid Waste District in reinforcing outreach to each home to offer incentives, best practices, and opportunities to save \$1,000.00's. This project starts with a 4-minute on-line pre survey, some outreach, and a post survey. A few minutes to learn how to save \$1000.00's, receive incredible discounts on composters, food scrapers, and many more items to increase your savings.
