

Congratulations, you have successfully installed your new Epson printer!

Here are some tips for getting great prints:

- » Genuine Epson inks have been engineered to deliver stable, long-lasting photographic quality when used with Epson papers.
- » To protect your photos, frame them under glass or store them in archival sleeves or albums. Your prints will last for generations!
- » Epson offers an extensive line of specialty papers that provide outstanding results when used with Epson printers and genuine Epson ink.
- » For best results, make sure the paper type selected in your printer software is right for the type of paper loaded in the printer. See your documentation for more information.
